2. List any progress (if applicable) since your June 2004 submittal? (stakeholder meetings, events held; special projects; etc.)

Informational flyers were posted on county office bulletin boards concerning ozone issues and helpful individual actions. Information was presented in the new employee orientation on August 6, 2004 to reduce harmful effects to the ozone. The Mosquito Control night shift began refueling tanks at night this mosquito season. Holley Causey contacted First Vehicle Services and was assured the smoking vehicle policy is being put into action. A county wide standard operating procedure was implemented to reduce idling for county vehicles and heavy equipment. (see attached policy)

3. In March 2004, the local Early Action Plan included emission reduction strategies to be implemented no later than April 2005. Do you continue to be on schedule to implement those strategies? Yes: x No:

4. What assistance is needed from our office to assist you in implementing the emission reduction strategies by April 2005?
